This statement discloses the privacy practices for the [Easton Electronics, Inc.](#) Web site.

Easton Electronics, Inc. and your privacy.

At [Easton Electronics, Inc.](#) we respect your right to privacy and we understand that, as a visitor to [www.Easton-Electronics.Com](#), you prefer to control your own personal information and preferences. For this reason, we may ask you to register or to provide personal information and preferences when you visit certain areas of [www.Easton-Electronics.Com](#), download information, or subscribe to [Easton Electronics, Inc.](#) newsletters.

We will guard the personal information you share with us to ensure the content, services, and advertising that we provide on [www.Easton-Electronics.Com](#) (and related [Easton Electronics, Inc.](#) sites) are always tailored to your current, designated preferences.

When you provide [Easton Electronics, Inc.](#) with your name (or alias), e-mail address, mailing address, or telephone number, representatives may use the provided information to alert you to product upgrades, special offers, updated information, new services, and other [Easton Electronics, Inc.](#) related information. ("Representatives" include authorized [Easton Electronics, Inc.](#) individuals only.) [Easton Electronics, Inc.](#) does not offer, or allow the selling of, any user-provided information to third parties.

[Easton Electronics, Inc.](#) respects the rights users give us when opting to receive e-mail communications and enforces internal policies to preserve those rights. It is our objective to retain the long-term ability to continue to communicate with our users.

If you do not want [Easton Electronics, Inc.](#) or [Easton Electronics, Inc.](#) representatives to contact you, you may "opt out" of this preference at any time, whether you're online or contacting [Easton Electronics, Inc.](#) directly. As part of your preference flexibility, you'll always have the option to opt back in and have [Easton Electronics, Inc.](#) contact you based on your previous or new preferences. For instructions, please see the section "Contact Us," below.

If you choose not to register or provide personal information, you can still visit most [Easton Electronics, Inc.](#) Web sites; however, you will not have access to areas that require personal identification.

[Easton Electronics, Inc.](#) membership and the use of log files (cookies)
[Easton Electronics, Inc.](#) offers free membership to all [www.Easton-Electronics.Com](#) visitors. In order to establish membership, visitors are requested to provide both personal information and preferences. This information is stored and protected. [Easton Electronics, Inc.](#) remembers you by placing a log file (cookie) that contains only enough information to identify you upon return visits. A "cookie" is a small line of text that is stored with your Web browser for record-keeping purposes and helps [Easton Electronics, Inc.](#) provide better service to you. Your browser has options to accept, reject, or provide you with notice when a cookie is sent.

No information, other than that found in the Membership cookie, will be accessed by any **Easton Electronics, Inc.** system. Access to your membership information always requires your Member Password.

Easton Electronics, Inc. also utilizes visitor log files (cookies) with our Web site. Once a user enters our site, a cookie follows them through their click stream path. Examples of information being collected by these cookies include the number of times a user came to our site(s), and the paths they took to get there.

Easton Electronics, Inc. uses the data collected from Web site visitor cookies in aggregate form only and does not collect any personally identifiable information. Use of this information helps us better understand what users are seeking and learning at our Web site(s) and helps us identify potential navigation issues.

How **Easton Electronics, Inc.** will protect your personal information

Easton Electronics, Inc. will always protect the personal information that you share with us. **Easton Electronics, Inc.** stores information internally in a controlled, secure environment. If, for example, when online purchasing is available, we will route all transactions through SSL (Secure Socket Layers) and will process your credit card number only to secure your current payment. The SSL transaction does not retain your credit card number subsequent to the transaction at hand and will not use the number for marketing purposes.

If **Easton Electronics, Inc.** requests general demographic information, this information is limited to reporting purposes only; members remain anonymous. Phone numbers, e-mail addresses, and postal addresses are never shared for demographic reports with outside entities.

Easton Electronics, Inc. may occasionally present a special contest or promotion that is sponsored by another company. To qualify for entry, we may ask you to provide personal information. If we plan to share that information with the sponsor(s), we will provide an up-front statement to that effect.

At **Easton Electronics, Inc.**, the most important thing for us is that you make the choice that is best for you.
